Hard As Nails®

Hard Film Floor Finish

Drive Down Floor Maintenance Costs with Longer Lasting Durability and Shine

Hard As Nails® floor finish utilizes highly durable internally cross-linked polymers blended to achieve a harder floor finish film. This unique chemistry results in an high gloss, long wearing finish that cures faster and harder than any other metal-interlock finish. This provides the perfect labor saving advantage for Educational and Retail facilities which have little or no time for floor burnishing.

Hard As Nails®

Hard Film Floor Finish

Labor Saving

- Reduced staffing and maintenance time with the same or higher level of appearance

Fast Drying

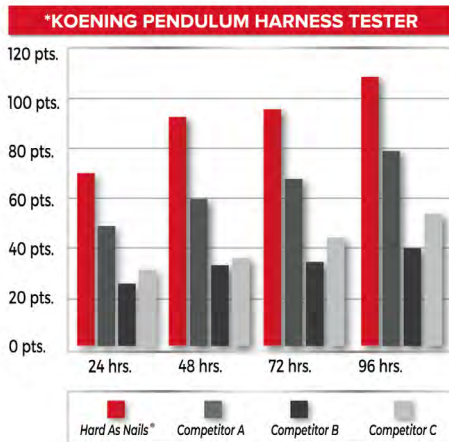

- Fast drying and curing means up to 6 coats can be applied in 1 hour

Saves Time

- Extend stripping and top scrub cycles by preventing dirt penetration, which leads to traffic patterns and yellow-looking floors
- Slash time spent buffing and burnishing

Long Lasting Durability

- 50% harder film than other industry-leading finishes*
- Less scuffing and scratching
- Longer-lasting shine and durability
