

Ready-To-Use

GREEN EARTH® RTU RESTROOM CLEANER

This product is a heavy duty, ready-to-use cleaner that is chemically designed to remove heavy soap scum, body and tanning oils, mineral deposits and other soils found in all areas of the restroom including tile and grout surfaces, countertops, sinks and toilets. The formulation contains organic acids, powerful cleaning agents, scale-inhibiting agents and soil-suspending ingredients. It produces a rich, clinging foam that allows for maximum cleaning contact time on vertical surfaces.

This product is part of Betco's Green Earth® program. Betco's Green Earth® products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance.

Uses

- Factories
- Health clubs
- Hospitals
- Hotels
- Nursing homes
- Resorts
- Schools

Environmental Benefits

- Non-corrosive – Safer to use than conventional acids.
- Phosphate free.
- Non-fuming. No irritating vapors.
- Non-flammable.

Performance Benefits

- Powerful – Removes heavy soap scum, body oils, sun tanning oils, mineral deposits and other tough soils from showers, bathtubs and other restroom surfaces.
- Foaming action allows for longer contact time and maximum penetration of tough soils.
- Ready-To-Use – No mixing or measuring required.

Properties

Color Green
 Foam High
 Film residue Free rinsing
 Fragrance Fresh Mint
 pH < 1
 Shelf life 1 year

Directions For Use

Read the entire label before using this product.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Use on acid resistant surfaces only. Do not use this product on Formica®, marble, aluminum, terrazzo or carpeting. Test in an inconspicuous area before use. Contains acids; do not use with bleach, ammonia or any other chemicals.

1. Spray product on surface to be cleaned.
2. Allow clinging foam to contact surface for 4 - 6 minutes to penetrate deposits.
3. Wipe with a sponge, cloth or brush.

Safety

Keep out of reach of children. For institutional and commercial use. **WARNING:** Do not use with bleach ammonia, or any other chemicals. Skin and eye irritant. Harmful if swallowed. **FIRST AID:** If splashed on skin or in eyes, flush with large quantities of water for 15 minutes. If inhaled, get to fresh air. If swallowed, do not induce vomiting. Drink a large quantity of water. Call a physician immediately.
