# GREEN EARTH® RTU PEROXIDE CLEANER

For daily use on floors, showers, glass and other hard surfaces. This one product can clean your entire facility. Removes mold stains and soap scum on tile, grout, bathtub surfaces and fixtures. Contains the active ingredient Hydrogen Peroxide which cleans without the fumes that are normally associated with aggressive acids. Whitens grout as effectively as cleaners that contain bleach, but is less aggressive on clothing and has a longer shelf life than traditional bleach cleaners.

This product is part of Betco's Green Earth® program. Betco's Green Earth® products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance.
