

Concentrate 1:4

GREEN EARTH® FLOOR STRIPPER

Betco's Green Earth® Floor Stripper is specially designed to effectively remove Green Earth® Floor Finish and other "non-zinc" crosslinked floor finishes. This low odor, no-rinse formula is easy to work with and is perfect for use in all types of facilities including healthcare, retail and education.

This product is part of Betco's Green Earth® program. Betco's Green Earth® products are formulated and packaged to have a reduced environmental impact while still maintaining superior performance. Please dispose of this product and waste generated from this product in accordance with all applicable local, state, and Federal regulations.

This product meets Green Seal's environmental standard for industrial and institutional floor care products based on its reduced human and aquatic toxicity and reduced smog production potential.

Residue at evaporation	None

Directions For Use

Read the entire label before using this product.

Recommended for removing Green Earth® Floor Finish.

1. Dilute (1:4) 32 oz./gal. or 250 mL/L with cold water.
2. Apply solution liberally with mop.
3. Allow 4 - 5 minutes contact time. Be sure to keep surface wet at all times. Agitate with a low-speed rotary machine or automatic scrubber (using a stripping pad or brushes).
4. Pick up solution using a wet vacuum or automatic scrubber and rinse thoroughly.
5. Allow floor to dry completely.
6. Please dispose of this product and waste generated from this product in accordance with all applicable local, state, and Federal regulations.

Safety

Keep out of reach of children. For institutional and commercial use. **WARNING:** Contains Benzyl Alcohol. Harmful if absorbed through skin. Wear gloves and splash goggles. **FIRST AID:** Remove contaminated clothing immediately. **SKIN:** Flush area with large quantities of water for 15 minutes. Seek medical attention if irritation persists. **EYES:** Flush eyes with large quantities of water for 15 - 20 minutes. Seek immediate medical attention. **INHALATION:** Remove to fresh air. If not breathing, call 911 or an ambulance, then administer artificial respiration, preferably mouth-to-mouth. **INGESTION:** If swallowed, contact a poison control center immediately for treatment advice. Do not induce vomiting unless advised to do so by poison control center or doctor. Never give anything to an unconscious person to ingest.
