#### Directions For Use

This product can be used in the following settings: Day Care Centers, Institutional Facilities, Office Buildings, Exercise Facilities and Schools. This product can be used on the following washable, hard, inanimate, non-porous surfaces: Chairs, desks, floors, tables, walls and windows.

Disinfectant (Limited): At a dilution of 2 oz. per gallon of water (1:64), 200 ppm hard water in the presence of 5% organic soil load this product is effective against gram positive bacteria only.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is not for use in residential settings. This product contains hydrogen peroxide. This product must not be mixed or stored with products containing ammonia, bleach, or other oxidizing agents. Contact with metals, metal ions, wood dust, or wood shavings may cause product decomposition.

CLEANING / DISINFECTANT / DEODORIZING DIRECTIONS: For Cleaning, deodorizing and disinfecting, dilute 2 oz. of concentrate per gallon of water (1:64). Cleaning may be accomplished with a clean mop, sponge, squeegee, wet vacuum system or a trigger spraying device. Spray 6 - 8 inches from the surface to be treated, thoroughly wetting the surface. After cleaning, remove suspended soils with a clear water rinse, vacuum pick up, or by wiping with a clean mop, sponge, squeegee, or cloth or allow to air dry. Do not breathe spray. Allow surfaces to remain wet for 10 minutes.

TO CLEAN TOILET BOWLS / URINALS: Swab bowl with brush to remove heavy soil prior to cleaning. Clean by applying use-solution around the bowl and up under the rim. Stubborn stains may require brushing. Pour in 2 oz. of the use-solution. Swab the bowl completely using a scrub brush or mop, making sure to get under rim. Let stand for 10 minutes. Rinse by flushing.

CARPET CLEANING (SPOTTER): For coffee as well as other water based stains, apply a small amount of liquid to the stain. Agitate with a bone scraper and let stand for 3 - 5 minutes. Blot dry and rinse with clean water. Repeat as needed until the stain is completely removed. Always test first in an inconspicuous area. To test: Apply a small amount, press with an absorbent white cloth for 10 seconds and see if there is any dye transfer. CARPET CLEANING (PRE-SPRAY): Dilute at 6.5 oz. per gallon of water. Let stand for 5 - 10 minutes. Extract carpet. Allow to dry before allowing foot traffic on carpet.

GLASS CLEANING: Dilute 1 oz. of product per gallon of water. Spray onto glass surface. Use through a coarse hand pump trigger sprayer device. Do not breathe spray. Wipe dry with an absorbent cloth or towel.

Important Note: This product shall expire on the date posted on the side of this bottle.
