# GENIE™ APS

## 14" Mini All Purpose Automatic Scrubber

Compact size cleans where others can't, quickly disassembles for transport or storage

Rotary scrubbing action and parabolic squeegee remove soils leaving floors clean and dry

Features user friendly onboard charger and maintenance free battery

*Goes anywhere a mop and bucket can go - Betco's Genie™ APS brings the benefits of automatic scrubbing to small and congested areas that are hard to clean with traditional equipment. Battery operated and compact, this machine can virtually replace the mop and bucket to provide more effective and efficient cleaning in an endless variety of environments. The standard nylon cleaning brush transitions from smooth to textured floors making it perfect for schools, hospitals, retail or any institution that wants a better clean!*
