

AUTOMATIC RIDER SCRUBBERS

HIGH PRODUCTIVITY!

Cleans up to 35,000 sq.ft./hour.

Product Features

- Two models available: DRS26 Disc Scrubber & CRS28 Cylindrical Scrubber
- Compact size offers a tight turning radius and easy maneuvering in smaller areas.
- Large 30 gallon tanks require less emptying and filling.
- Rear drive anti-skid wheels improve balance and traction.
- Auto slow safety feature prevents tipping during turns.

#E83006-00 DRS26

#E83007-00 CRS28

Typical Uses

- DRS26: daily cleaning, top scrubbing and stripping.
- CRS28: daily cleaning of concrete, textured and uneven floor surfaces.
