18" Dual Motor Upright Vacuum

Designed for durability, comfort and productivity, Betco's dual motor upright vacuum cleaner delivers maximum cleaning performance. A convenient onboard tool kit with telescoping wand gives the versatility to vacuum not only carpeting but blinds, upholstery or anything else in your path.

Applications

- Carpet vacuuming
- Blind and upholstery vacuuming

Features

- Onboard tool kit with telescoping wand
- Lightweight handle design
- 4 position brush height adjustment
- Electronic system sensor
- Full bag indicator light
- "No Bag Lock" prevents use without a filter bag
- Independent vacuum and brush motors provide maximum performance
- 6 1/4" clearance for vacuuming under obstacles

Onboard Tool Kit includes telescoping wand, crevice tool and dusting brush.

Warranty

1 year manufacturers defect*
