Clario[®] Skin Care Program

Betco has a unique skin care program that emphasizes the importance of proper hand hygiene at a 60% lower cost than other skin care products.

Betco can help you stretch your hand care budget up to 60% with Clario[®] TF Touch Free dispensers and up to 30% with Clario[®] Manual dispensers. The best part is that the Clario program utilizes the same 1000 mL foam bag for both the Clario Manual dispensers as well as the Clario TF dispensers.

Clario[®] Skin Care Offers More Value

- Clario[®] TF dispenser saves you up to 60% per hand wash with foam soap compared to other brands.
- Clario[®] 1000 mL Foam Bags deliver 1660 hand washes per bag. That's 50 more hand washes than our competitors!
- Using one bag in both dispensers allows for greater flexibility, less inventory and reduced costs.
- Clario[®] Skin Care provides excellent foam quality – Superior hand washing performance with 50% less liquid for each hand wash.
