

HOW ARE WE DOING?

(employee/occupant)

In an effort to maintain a safe, healthy, satisfying and environmentally responsible facility, your environmental services (EVS) department (building contractor) is currently developing a green cleaning program. The information gathered with your help, will allow us to identify any potential areas for improvement as we pursue a more sustainable environment.

Please rate the following items (1) Excellent, (2) Good, (3) Fair, (4) Poor or (5) Unacceptable.

Overall cleanliness of:

- Restrooms
- Floors/carpets
- Offices
- Hallways/stairways/elevators
- Entryways/lobbies
- Break rooms/cafeterias
- Windows/mirrors/polished surfaces
- Trash receptacles
- Lighting

Please answer yes or no to the following questions:

- I agree we should green our facility.
- I currently recycle materials at my home.
- I have used green cleaning products.
- I believe green cleaning products are as effective as conventional cleaning products.
- The EVS department listens to suggestions.
- I would be willing to participate on a team to green our facility.
- The EVS department does an acceptable job in maintaining our facility.
