Betco Enhances Propane Selection

Betco Corporation, Toledo, OH- Betco's Propane Burnishers are second to none in the industry on power and performance. They are built tough right here in the USA with heavy duty components and designed to maximize productivity and deliver exceptional results. Betco now provides two family offerings of Propane Burnishers – the Predator Series and the Optima QT Series.

The Predator Series is designed for the value driven market and the Optima QT series for the premium contractor market. Both deliver unsurpassed performance, simplified options, and have ergonomic handles to reduce fatigue. Predators are powered with 13 hp Honda engines while Optima's come equipped with powerful 17hp Kawasaki engines.

You can add a centrifugal clutch to both series and/or an emissions package to the Optima QT line of burnishers. Both series are available in 21" and 24" sizes with the Optima being available in a 27" as well. Betco has made it easy to select and easy to order your next Propane Burnisher so contact our customer service team today!

Betco has been positioned as an industry leader since 1950. We lead the way in engineering Innovative Cleaning Technologies for commercial and institutional cleaning. For more information about our products and services please contact customer service @ 1-888-GO BETCO or visit www.betco.com.
