### **“World’s Quietist Automatic Scrubbers” Offered by Betco**

**Betco® Corporation, Toledo, OH-** Stealth™ series automatic scrubbers feature Betco’s exclusive Noise Reduction Technology. 4x quieter than other standard automatic scrubbers, the double insulated vacuum keeps noise from the large motor to a minimum of 58 dBA at operator position. Stealth™ automatic scrubbers are ideal for day cleaning when necessary.

Available sizes include a 20” with brush or traction control and a 26” with traction drive. You have the flexibility to choose between AGM or Wet Cell batteries with all sizes. The 20” model features an 11 gallon solution tank and a 13 gallon recovery tank, while the 26” model has a 16 gallon solution tank and 19 gallon recovery tank. All Stealth™ series automatic scrubbers are designed to be low maintenance and easy to clean and sanitize. Each is backed by our 3-3-10 Warranty Program, 3 year parts, 3 years labor and 10 year on roto-molded tanks. These quiet scrubbers set a new industry standard in noise reduction and truly make day cleaning a reality. The only thing you’ll hear is compliments about how clean the floor is!

Betco has been positioned as an industry leader since 1950. We lead the way in engineering Innovative Cleaning Technologies for commercial and institutional cleaning.
