# Press Release

## **Lil Bertha™ Xtreme Stripping Machine Removes Finish 4X Faster**

**Betco® Corporation, Toledo, OH-** Lil Bertha™ XSM24 Propane Stripping Machine powers through floor finish 4X faster than floor machines and 2X faster than automatic scrubbers. Utilizing advanced scrubbing technology, Lil Berth XSM24 has three under deck grit brushes that rotate counter clockwise while the entire deck rotates clockwise. This dual action scrubs through floor finish at extreme speeds producing the ultimate strip out. One pass stripping is a reality with Lil Bertha™ XSM24. Strip up to 24,000 sq. ft. an hour!

The small size makes Lil Bertha™ XSM24 easily transportable to and from worksites by one individual. Constructed with a durable powder coated steel frame and deck, unlike the fiberglass decks of the competition, Lil Bertha™ XSM24 is backed by a leading industry warranty. Additional features include adjustable ergonomic handle, anti-fatigue handle grips, and a powerful 13 HP Honda 390cc engine. Contact your local Betco Distributor for a demonstration today.

Betco® Corporation is a global brand name in institutional cleaning. Betco engineers innovative cleaning technologies and programs that enhance productivity, cut labor costs, and save money. The Betco bundle includes a complete green cleaning program, durable equipment line, and versatile chemicals. For information about Betco's products and services please contact customer service @ 1-888-GO BETCO or visit [www.betco.com](http://www.betco.com).
