Press Release

Betco® Corporation Announces Additions to the Stealth™ DRS Equipment Line

Toledo, OH – October 19, 2011- Toledo, OH - Betco® Corporation released the newest addition to their Stealth™ Series of automatic scrubbers. Betco's Stealth DRS Automatic Scrubbers are equipped with Noise Reduction Technology delivering "hospital quiet" operation.

The new Stealth DRS line is available in 26" and 32" .The 26" and 32" cleaning paths provide maximum productivity while the exclusive one touch Intelligent Drive Control delivers simple operation. With up to 4 hours of runtime, large area day cleaning is now a reality with the Stealth DRS Scrubbers - the only thing to notice are clean and dry floors.

"The addition of large riding equipment with Stealth technology and the new Intelligent Drive Control will change how large environments are being cleaned." -States Paul Lewandowski, Equipment Product Manager, Betco.

Backed by an industry leading warranty, Betco equipment is built to provide years of reliable service. Betco Warranty Express™ is a comprehensive product support program that offers extensive parts and labor coverage on all machines.

Betco Corporation is a global brand name in institutional cleaning. Betco engineers innovative cleaning technologies and programs that enhance productivity, cut labor costs, and saves money. The Betco bundle includes a complete green cleaning program, durable equipment line, and versatile chemicals. Betco's dedication to cleaning for a healthier environment keeps us focused on engineering more products that have a reduced impact on the environment.
