LIMITED SERVICE

For over 60 years Betco has built a reputation for delivering innovative, high value products, delivery systems, programs and equipment. These achievements reflect Betco's continued commitment to innovative cleaning technologies.

This market specific program will help you find everything you require to meet your needs. Betco's unique products and programs do more than just clean... they help you save labor & time, enhance employee safety, minimize product waste and better manage your costs.

SYMPLICITY™

SYMPLICITY™ enhances the value of your operation with three principles... **Clean, Safe and Simple.**

CLEAN – Premium products and programs uniquely designed to deliver one wash clean performance.

SAFE – Many products feature “no-contact” Sure Connect dispensing.

SIMPLE – Our expert personnel provide support materials and continuous employee training to keep your operation running smoothly. Streamlined product offering reduces inventory costs and simplifies the reordering process.

With SYMPLICITY, we concentrate on your cleaning needs so you can focus on your customer's needs!

SURECONNECT

Betco's SYMPLICITY™ Closed-loop Dispensing System provides:

Cost Savings – Maximum cost savings from super-concentrated products assuring performance and consistency.

Accurate Dispensing – Sure Connect eliminates waste and employee guesswork.

Closed Loop Dispensing – “No contact” feature prevents spills and chemical contact.

Simplified Training – Easy to use, color coded system helps prevent product misapplications.

Environmentally Friendly – Sure-Connect closed loop system prevents accidental spills in the workplace environment.

Easy to use, color-coded Closed Loop dispensing system offers performance, safety, environmental and cost-saving benefits.

SYMPPLICITY AND SUSTAINABILITY CONSIDERATIONS

- Low Environmental Impact
- Low VOCs
- No phosphorus
- Employee Safety
- No APE, NPE or EDTA

HOSPITALITY PROGRAM

FORMULATED FOR LONG LINEN LIFE

SYMPPLICITY™ RECOMMENDED LAUNDRY SYSTEM

BUILT DETERGENT ULTRA 225 – Ultra concentrated liquid built detergent. Optical brighteners enhance linen performance. Environmentally Friendly; No Phosphates, No APE's or No NPE's.

DESTAINER 300 – Concentrated liquid chlorine bleach provides the extra destaining power of active chlorine. 12% concentration delivers economical use & excellent stain removal properties. For white and colorfast fabrics. Not for use on permanent press, wool, or silk.

SOUR & SOFTENER 440 – High quality dual action liquid sour/softener restores pH balance to linens and removes residual chlorine leaving linens "wrinkle free" and smelling springtime fresh. Sour Softener 440 eliminates static cling, reduces extract time, drying time and improves lines processing.

SYMPPLICITY™ RECLAIM SYSTEM is designed to remove stains and build up on linens by getting "reject" linens back into service.

RECLAIM C – Powder for reclaiming colored linens. 2.0 lb. Jar 6/cs.

RECLAIM W – Powder for reclaiming white linens. 2.0 lb. Jar 6/cs.

RECLAIM R – Reclaim powder designed to remove rust and iron stains on linens. 1.9 lb. Jar 6/cs.

SYMPPLICITY™ LAUNDRY PRO LIQUID PREWASH AND STAIN REMOVAL SYSTEM

Ready-To-Use four product prewash and stain removal system specially formulated to complement the SYMPPLICITY Program and reduce expensive linen replacement costs.

PRO A – RTU broad spectrum spray targets organic stains like blood, grass, food, cuffs & collars, protein, etc.

PRO G – RTU spray for blood, betadine and other medicinal stains.

PRO R – RTU spray targets Rust and other metallic stains.

PRO S – RTU spray for inorganic stains such as grease, oils, shoe polish, crayon and markers, etc.

Laundry Pro Prewash and Stain Removers are field proven to save time, energy, labor and reduce chemical consumption delivering true "one-wash" performance. (Quarts – 6/Case with 4 Trigger Sprayers)
