

Betco® BioActive Solutions™ Solutions That Keep On Working

Save money and time with products specifically formulated with microbial technology to degrade kitchen fats, oils and greases.

BETCO®

Save Money and Time with Betco® BioActive Solutions™ Products that Really Perform

DT 7

Extensively tested - Save thousands

"Our restaurant was having to pump grease traps once a month for \$550 before using DT 7. Now we are only pumping twice a year - saving us \$5,550 per year." That's a 83% SAVINGS!

- Joe, General Manager at a Popular Restaurant & Bar chain

Beverage Drain Cleaner

Clear the way

BioActive Solutions™ Beverage Drain Cleaner attacks sugars that clog beer taps and soda fountains, and will combat rancid odors from the drains.

No Rinse Floor Cleaner

Eliminate the elbow grease to achieve clean floors

No-Rinse Floor Cleaner is formulated with a microbial package that continues to digest the fats, oils and greases well after application. The no rinse formula will save valuable time and money. Perfect routine maintenance food service floor cleaner.

Grease Solv

Powerful, versatile biological degreaser

A heavy duty biological degreaser where heavy grease build up resides on back of the walls or floors. Also perfect for docks, outdoor cleaning, and power washing.

Cleaning Innovations That Matter.
