

MotoMop™

Small Area Cleaning Machine

Easy Storage - takes less space than a mop & bucket

360° motion to clean in all directions

Lithium ion battery with 3 year full warranty

True Clean. Up to 400% Faster.

Removes up to 98% more soil than a mop and bucket*
Stop spreading soils and truly clean.

From prep to clean and ready, the MotoMop is up to 4 times faster.

Mopping takes longer to set-up, clean and dry making it unproductive.

Increase the green in your clean.

Use up to 75% less water and reduce risk of slip/fall accidents by leaving floors dry.

Clean Better, Faster, Safer.

The Motomop's 360° versatility can clean and dry the areas you normally mop; bringing automation to small areas. And, it truly removes soils while significantly increasing your productivity so you deliver a cleaner, brighter floor to even more of your facility.

Applications:

- Small area cleaning
- Spill clean-up and recovery
- Day porter touch-up
- Anywhere you were using a mop
