Concrete / Terrazzo Polishing Machine

Grind, Polish, Profit. Fast.

Rugged, thick steel frame

Tips back for full view, easy tool exchange

Transport safely and without tool damage

Raw Concrete to Profitable By End of First Project

Powerful CP30 grinds, hones and polishes raw & pre-polished concrete using Betco's revolutionary CRMX® & Crete™ Rx concrete systems.

Savings from first 20,000 sq ft pays for the CP30.

Beautiful, glossy, durable floors easily delivered with dual-direction, gear driven, high RPM action at 715 lb down pressure.

Do more projects that make you shine.

CP30 builds unmatched depth of gloss in the shortest amount of time. In fact, Crete Rx is only a two tool system versus leading competitors with 6-8 tools. This will allow you to complete more projects and shine in the process.

Applications:

- Grinding & polishing raw & pre-polished concrete & terrazzo floors
- Restorative honing
- Interim maintenance polishing
