

BIOACTIVE SOLUTIONS™

Beverage Drain Cleaner

Beverage Drain Cleaner and Maintainer

Clean Drain Lines

Choose the safer solution to keep your drain lines clean.

Betco® BioActive Solutions™ Beverage Drain Cleaner is the newest technology in a product for all beverage drain lines. Our expertise in formulation, selection and combination of our own strains made in our fermentation facility brings a truly novel product to the market for beverage drains.

BIOACTIVE SOLUTIONS™

Beverage Drain Cleaner

Beverage Drain Cleaner and Maintainer

Features & Benefits:

- Maintains clear drain beverage lines
- Strict quality control and quality assurance guaranteeing high cell counts and stable formula
- Proprietary thickening agent used to cling to pipe walls, increasing biological activity and degradation
- Regular use helps maintain clean drain lines; lessening costly service calls for plumbing needs
- A fully formulated RTU product that contains application specific microbes and free enzymes that rapidly breaks down organic matter
- Neutral formula that doesn't contain caustics or acids; safer for the end user
- 2x the industry standard CFU per gallon giving better long-term performance

Directions for Use:

Shake before use.

Slow Drains

Apply 4-6 ounces per day directly into drains for seven consecutive days or until drain flows freely. For best results, apply product at end of day.

Drain Maintenance

For preventative maintenance, apply 4-6 ounces once a week into each drain. Avoid using drain for about 6 hours after applying to allow time for microbes to work.

Note: Do not subject this product to disinfectants, boiling water or chlorinated products.

Tech Specs:

Bacteria Count: 400 Billion CFU per gallon

Gram Negatives: not present

Bacterial type: non-pathogenic microbes

Color: Teal

Fragrance: Fresh

pH: 6.0 – 9.0

Contains: Aerobic and Facultative Anaerobic strains

Temperature Range: 60°F to 90°F (4°C to 35°C)

Shelf Life: 1 year

Available In:

260212-00	12 x 32 oz. Bottles
260204-00	4 x 1 Gal. Bottles
260205-00	5 Gal. Pail
