Search "Betco" at www.canada.ca/en/health-canada/services/drugs-health-products/disinfectants/covid-19/list

GE Fight Bac™ RTU

Broad Spectrum Hospital Disinfectant

Disinfectant with the environment in mind.

GE Fight Bac RTU kills over 99.9% of bacteria and viruses in 5-minute contact time. Formulated with a botanical active ingredient, citric acid, and free from harsh chemicals, this product provides superior disinfection and meets the EPA's Design for the Environment standards.

Industry-best product performance - Green Earth® products must meet or exceed traditional products. This performance is verified by third-party lab testing or testing designed and performed in Betco® laboratories.

THE BENEFITS OF A CITRIC ACID ACTIVE INGREDIENT:

PERFORMANCE: Cleans without streaks or residue while achieving hospital-grade efficacy with low contact times.

ENVIRONMENTALLY FRIENDLY: Effective, plant-powered formula is certified by the EPA's Design for the Environment program.

SAFETY: Citric Acid-based solution is non-irritating and no harsh fumes for the user. Also gentle on equipment making it an excellent choice as a cleaner.

VERSATILITY: GE Fight Bac RTU will leave little to no residue compared to traditional quat disinfectants on Plexiglass.

WHERE TO USE:

- Desk and computer surfaces
- Kitchen surfaces, including stainless steel
- Restroom disinfection
- High-touch surfaces, including smart phones
- And most other hard non-porous surfaces
