

# Clario® C3 Hand Hygiene Dispensing System

## Manual | Foam & Lotion/Gel

The Clario® name has long been associated with industry-leading value. The Clario C3 hand hygiene dispensing platform furthers this proud Betco® legacy by combining advanced functionality that provides **the industry's lowest cost per handwash** with a new, sleek aesthetic—all within a hygienic closed-loop system.

Premium  
Design,  
Practical  
Savings

**Manual Black or White Dispensers**  
Foam and Lotion/Gel

- 1 Premium matte textured finish
- 2 Improved fill-level visibility
- 3 Locked or open functionality
- 4 ADA compliant
- 5 Durable ABS construction for long dispenser life
- 6 Pre-drilled back plate designed to accommodate existing hole patterns and reduce installation time
- 7 Long lasting permanent pump for up to 94% reduction in post-consumer refill waste and significant savings

- 8 Retaining clip installed to reduce accidental pump disposal
- 9 Improved thick/rich foam quality
- 10 Improved foam pump provides 250,000 activations or approximately 125 refill bags
- 11 Precise portion control with 3 shot size options on internal Dosage Selector located behind the pump for added flexibility and maximum customer value.

**0.5ml = 2000 shots / refill**  
**1.0ml = 1000 shots / refill**  
**1.5ml = 667 shots / refill**
