

GameDay™ Sealer

WATER-BASED WOOD FLOOR SEALER

Basic Coatings® GameDay™ Sealer is a premium sport floor sealer engineered to deliver outstanding adhesion, effortless sandability, and a durable foundation for our Basic Coatings sport finishes.

GameDay™ Sealer

WATER-BASED WOOD FLOOR SEALER

Leaves sport floors with a bright, easily abrading base coat, ready to be paired with any of our Basic Coatings finishes.

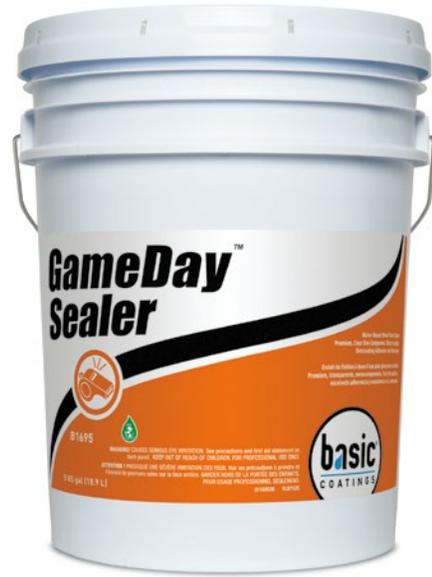

GameDay Sealer has outstanding leveling and defoaming, and it's thick application covers up buffer swirls very well.

Maple wood gym floor sealed using GameDay™ Sealer.

GameDay Sealer Advantages

- ◆ Prevents finish from penetrating the wood by sealing the surface
- ◆ Delivers outstanding adhesion
- ◆ Reduces sidebonding
- ◆ Powders nicely when abraded during application
- ◆ Prevents paint from soaking into the floor, maintaining a bold paint color that does not fade or dull
- ◆ Allows stencil adhesive to bond evenly, and supports a clean removal, minimizing jagged edges, paint lift, and splintering
- ◆ MFMA approved & MAS Certified Green
