

Crewman™ DC Burnishers

20-inch Cord-electric and Battery Burnisher

Fully adjustable handle
(Cord-electric version)

Floating shroud prevents dust
from escaping into the air

Easy view amp meter monitors total
amp draw which can be easily adjusted

High Gloss. Clean Air.

Excellent burnishing results.

Floating chassis allows powerful 1.5 HP motor to deliver 2000 RPM evenly.

Traps and contains airborne dust.

Dust control system efficiently collects particles in an easy to access filter bag.

Assembled in USA.

Ensures high quality assurance and available quick-ship service parts.

Reliable, simple value.

Crewman dust control burnishers boast durable rotationally molded base construction and strong motors for years of worry-free operation. Simple operation and maintenance plus an excellent price make them high value.

Applications:

- Low and high solid finishes
- Polished concrete
- Polished terrazzo and stone

Item #E85263 - Battery
Item # E83018 - Cord-electric

Crewman™
