Betco Express®

with SRT™ Technology

The World's Fastest Drying Floor Finish with Max-Cure™ Technology

Betco Express® with Scuff Resistant Technology™ (SRT) is a fast drying, fast curing, and extremely low odor floor finish with superior black heel mark resistance. Betco Express with SRT is formulated with Max-Cure™ Technology that utilizes a highly durable, internally cross-linked polymer specially blended to minimize dry and cure times. This labor-saving, one-of-a-kind floor finish can be re-coated in as little as 10-15 minutes, allowing up to 6 coats in an hour.

Betco Express[®]

with SRT[™] Technology

Fast Drying

- Each coat of Betco Express with SRT dries in as little as 10 to 15 minutes
- Fast drying and curing means up to 6 coats can be applied in 1 hour

Fast Curing with Max-Cure[™] Technology

- Curing is the point at which the finish develops its properties, allowing additional coats to be applied without causing hazing, streaking, or an uneven appearance

Low Odor

- Can be used in occupied areas
- Little to no disruption to customers and staff

Scuff Resistant Technology[™]

- Drastically reduces black heel marks without affecting slip resistance
- Innovative technology that is exclusive to Betco Corporation
